Car Parking:

As in previous years' free car parking will be provided at the top of the hill where marked. The playing field is strictly for drop off of boats and equipment only, you must then proceed to the designated parking area at the cross roads on the outskirts and entrance to the village of Golant.

In previous years a small number of individuals ignored our requests to park in the designated car park seriously jeopardising our relationship with local residents and future events. Any breach of this parking however early arriving may incur a time penalty.
